About registration and camp procedures.

Choosing Your Camp Weeks

Once registration opens, families will be able to select the summer weeks that best fit their schedule.

- Each week has 25 camper spots available.
- A minimum of 8 campers per week is required for camp to operate.
- If the minimum enrollment is not met, that specific week will unfortunately be canceled.

How to Register

Registration will be completed through Brightwheel. On the registration form, you will:

- ✓ Select your preferred camp weeks
- ✓ Submit your child's t-shirt size for field trips

If you do not currently have access to Brightwheel or your account is no longer connected to Little Life Academy, please email us and we will gladly help you reconnect.

Paper registration forms will also be available at LLA.

Payment Information

Your child's camp spot is not guaranteed until the following non-refundable payments are received:

- \$100 registration fee per child
- \$100 deposit for each selected camp week

All payments will be processed through Brightwheel. The remaining weekly camp fee of \$135 will be automatically drafted on the Sunday before each registered camp week.
